### 6.3. Secured creditors notice

Creditors claiming a security interest (including retention of title or other claims) in the Company's assets who:

- have not advised the Liquidators of their security interest; or
- have not received correspondence from the Liquidators concerning their security interest,

Should contact the Liquidators immediately and should not file a claim as an unsecured creditor unless they wish to surrender their charge to the Liquidators.

This report constitutes notice under section 305(8) of the Act to any secured creditor receiving it that pursuant to section 305(8) of the Act, you as a secured creditor of the Company are required to (unless you have already advised the Liquidators in writing of such an election or have already received such a notice) elect and notify the Liquidators in writing within 20 working days (by 26 October 2021) after receipt of this notice, which of the following powers they wish to exercise:

- a. Realise the property subject to your charge, if entitled to do so; or
- b. Value the property subject to your charge and claim in the liquidation as an unsecured creditor for the balance due, if any; or

Pursuant to section 305(9) of the Act, if a creditor fails to notify the Liquidators in compliance with this notice within 20 working days (by 26 October 2021) they will be taken as having surrendered their charge to the Liquidators for the general benefit of creditors and they may then claim in the liquidation as an unsecured creditor for the whole debt.

### 6.4. Creditors meeting

In accordance with section 245 of the Act, for the reasons given in the formal notice attached at **Appendix 4**, we have dispensed with the meeting of creditors.

## 7. Proposals for Conducting the Liquidation

The Liquidators will communicate with the shareholders to attempt recover the \$164,633 overdrawn shareholder current account as per the financial statements. The Liquidators will also look to realise the company vehicles and investigate all other avenues for further recovery.

The Liquidators will conduct an investigation of the Company's books and records to further establish if there are any potentially voidable transactions that require investigation, and further to ensure that the directors have complied with the duties and obligations imposed on them under the Companies Act 1993.

In the event that there are funds available for a distribution, the Liquidators will admit creditor claims and make a distribution.

The Liquidators will then complete a final report and request that the Registrar of Companies remove the Company from the register.

**Notice of Liquidators Decision to Dispense with Meetings of Creditors  
(Pursuant to section 245 Companies Act 1993)**

We, Iain Bruce Shephard and Jessica Jane Kellow, Licensed Insolvency Practitioners of BDO Wellington, (Registration Numbers: IP71 and IP75 respectively), were appointed joint and several liquidators of the Company by special resolution of the shareholder on 22 September 2021 at 3.52pm.

We do not consider that a meeting of creditors should be held because there are insufficient assets to meet the cost of holding such a meeting and there are limited prospects of funds being available for payment of a dividend to creditors other than to those who hold specific security or have a preferential claim.

No meeting of creditors will be called unless we receive notice in writing from a creditor requiring us to hold a meeting of creditors pursuant to section 314 of the Companies Act 1993 within 10 working days of their receipt of this notice. The Liquidators may decline a request by a creditor or a shareholder to call a meeting on the grounds that:

- a. The request is frivolous or vexatious;
- b. The request was not made in good faith;
- c. The costs of calling a meeting could be out of proportion to the value of the Company's assets.

The decision to decline a request may be reviewed by the Court on the application of any creditor, or shareholder

Notices should be forwarded to:

(Pursuant to section 255A of the Act and the Code)

We declare that:

- we have undertaken a proper assessment of risks to independence in accordance with the law, the Code and applicable professional standards;
- we have determined that the assessment identified no circumstance, relationship, or other fact that creates, or could reasonably be perceived as creating, real or potential risks to independence;
- in all cases, we are not otherwise aware of any impediments to taking the appointment.

### i. Circumstances of Appointment:

We have been appointed by:

- a special resolution of the Company's shareholders pursuant to section 241(2)(a) the Companies Act 1993;
- the following pre-liquidation meetings and discussions were held
  - 27 July 2020 - Initial meeting with accountant to discuss potential liquidation
- no remuneration has been received for these meetings
- these meetings do not result in a conflict of interest because:
  - it is recognised that there is a need for practitioners to provide advice on an insolvency process and the options available for the Company. It is not considered that such advice could constitute a conflict; and
  - the nature of the advice was general in nature and concerned the general process of appointing liquidators to the Company.
- the referring entity was the Company's accountant.
- no other information or advice was provided to the Company or their advisors.

### ii. Relevant Relationships (excluding Professional Services to the Company)

We declare that:

- neither we, nor a member of our firm, have had any relevant relationships with the Company or known associates in the previous two years;

### iii. Prior Professional Services to the Company

We declare that:

- neither we, nor our firm, have provided prior professional services to the Company or its known associates in the previous two years.

### iv. No Other Relationships to Declare

## Appendix 6 – Initial Remuneration Notice

**PHAR-NO CONSTRUCTION LIMITED (IN LIQUIDATION)**  
**COMPANY NUMBER: 638351**  
**(“Company”)**

The purpose of this Remuneration Notice is to provide you with information about how our remuneration for undertaking the liquidation will be set.

### Remuneration Methods

There are four basic methods that can be used to calculate the remuneration charged by an Insolvency Practitioner. These are:

**a) Time Based Hourly Rates**

This is the most common method of charging. The total fee charged is based on the hourly rate charged for each person who carried out the work multiplied by the number of hours spent by each person on each of the tasks performed.

**b) Fixed Fee**

The total fee charged is normally quoted at the commencement of the liquidation and is the total cost for the liquidation.

**c) Percentage**

The total fee charged is based on a percentage of a particular variable, such as the gross proceeds of assets realisations.

**d) Success or Contingency Fees**

The practitioner’s fee is structured to be contingent on a particular outcome being achieved.

### Remuneration Method Chosen

Given the nature of this liquidation, remuneration will be calculated on time based hourly rates for the following reasons: -

- It ensures that creditors are only charged for work that is performed. Staff are allocated to duties according to their relevant experience and qualifications;
- We are required to perform a number of tasks which do not relate directly to the realisations of assets. For example reporting to the Registrar of Companies, responding to creditor enquiries and distributing funds in accordance with the Companies Act 1993;
- Work often requires staff with different levels of experience as such different hourly rates reflect the expertise of our staff; and
- We are unable to estimate with certainty the total amount of fees necessary to complete all tasks required in the liquidation.

## Charge out Rates

Fees are charged on an hourly basis at the following rates and staffing levels:

Staffing Level	Hourly Rate (Excl GST) (\$)	General Experience
Liquidator	445 - 495	Licensed Insolvency Practitioners with a vast range of industry knowledge and experience. Significant experience in complex insolvency engagements. Leads assignments with overall responsibility for strategy and implementation.
Manager	325 - 395	RITANZ member with at least five years of insolvency experience. Well-developed technical and commercial skills and is responsible for small insolvency assignments.
Assistant Manager	295 - 325	RITANZ member and insolvency specialist with up to four years' experience. Assists planning and control of small to medium jobs.
Senior Analyst	245 - 295	RITANZ member and insolvency specialist with up to three years' experience. Degree qualified and undertakes work stream tasks subject to supervision.
Analyst	110 - 245	RITANZ member and insolvency specialist with one to three years of insolvency experience. Depending on the complexity of the administration, required to either control or assist with day to day fieldwork.
Support Staff	130 - 145	Skilled in administration and process management, specifically experienced working with insolvency related files.

*Note: Rates charged by BDO are subject to change.*

## Disbursements

Disbursements are those out of pocket expenses incurred during the course of an appointment. They are recovered from available funds and are broadly grouped into three types:

- a) Costs paid from the Appointment's bank account directly to third parties not associated with the Practitioner or their firm; or
- b) Costs paid by the Practitioner to third parties not associated with the Practitioner or their firm and later claimed back from the Appointment; or
- c) Costs claimed by the Practitioner for non-professional services provided by the Firm (e.g. phone calls, photocopying & printing, stationery, data room hosting) and/or outlays incurred by their staff in the proper conduct of the Appointment.
